

## Course Description

Nakhon Pathom Rajabhat University

Faculty of Humanities and Social Sciences

Course code: 1554816 (English Teaching Materials and Resources Development)

Credit: 3/3

student group 59/15

Type of course: Requisite course

Instructor: Assoc. Prof. Wilairat Kirin, Ph.D.

Email: [wilairatkirin@gmail.com](mailto:wilairatkirin@gmail.com)

---

### Course Description

A survey of the principles and techniques of designing instructional materials for all levels of learning taking into account current innovations in the teaching and learning of languages. The module will also provide for practical work in writing, selecting, and adapting materials as well as in evaluating existing instructional materials. Analysis of English texts and exploitation of appropriate teaching/learning materials with particular attention to authentic materials and resources.

### Course Objectives

The students should achieve the following:

1. Write, select, and adapt materials for a wide range of classroom contexts.
2. Analyze and evaluate different types of instructional materials.
3. Develop authentic materials and self-access learning resources specifically for students with different levels of language abilities.
4. Evaluate and use technology for language and cultural teaching purposes.
5. Maintain positive attitudes towards traditional and modern ways of instruction.

Course schedule and outline

week	topic	hour	activity	material
1	- Orientation to the course - principles and techniques of designing instructional materials	3	- Explain the course description, teaching styles and expectations - study principles and techniques of designing instructional materials through exploring various teaching material	ppt
2-3	Analysis of textbooks used by high schools in NP	6	- analyze textbooks based on recognized framework and share results of the analysis	textbooks
4	Selection and adaptation of contents and tasks in textbooks	3	- learn, select and adapt useful contents and tasks in textbooks from different publishing companies	textbooks
5-6	Writing instructional material and adopting them through peer teaching	6	- practice writing material for low to high levels students and use them to teach friends	teaching
7	Evaluation of instructional material	6	- study guidelines for material evaluation and practice evaluating different types of material	internet
8	Mid-term exam			
9-10	Authentic material and teaching practice	3	-learn how to use authentic material in teaching language skills and components	real objects

week	topic	hour	activity	material
11	Language resources and presentation of self-access learning center activities	3	-learn various resources of language learning and practice designing activities in self-access learning center	SALC
12-14	Exploring teaching material: song, picture, power point, cartoon, etc.	9	-devise and apply a wide range of teaching material in class	internet
15-16	Technology in language teaching	6	-learn, share and make use of technological tools for classroom	internet
17	Final exam			

#### Evaluation Criteria

Attendance 10 %

Assignments 40 %

Presentation 20 %

Final Exam 30 %
